# COMPANY OVERVIEW

*Excellence as an Quality Products Provider!*

In a market that's growing more and more competitive with each passing day, we have been able to carve a niche for ourselves only because of our organization's commitment towards quality and a single minded goal to excel.

**MM Corporation** is an ISO certified company, **MM Corporation** has its wings spread in southern Rajasthan with 2 offices. We offer a range of electrical products and conduit pipes to our customers. with our consistent efforts in providing quality products we have become a synonym for trust and reliability. We constantly deliver the best experience to our customers. Over the time, we have persistently evolved to become one of Rajasthan electric products providers. Our spirit to challenge convention and think differently has pioneered several brand business successes.

As dealing in various PVC products for years and gaining the immense knowledge of PVC industry in and out, we are here with you, proudly with our brand name "**b&p bhagwati**".

We as an organization have confidence in providing our best products made with the latest technology to millions of households. At **MM Corporation** we believe that serving customers is not just about selling products to the vendors instead it's about understanding their needs and their concerns and that's what makes a company more successful.

---

**BHAGWATI PRASAD**  
DIRECTOR

# Vision

Our Vision is to make MM Corporation a Rajasthan top electrical products provider in all channels by delivering outstanding value, continuous innovation and exceptional after sales experience and consistently fulfilling our brand promise.

# Mission

The MM Corporation aims to provide world class pipes and electrical and accessories for the entire market. We seek to achieve customer satisfaction by exceeding their expectations in quality, delivery, and cost through continuous improvement and customer interaction

# PVC CONDUIT PIPE
